## SUMMARY

I am an enthusiastic and hardworking individual seeking to begin a career as a Steamfitter Pipe Fitter, Welder Apprentice. I am excited to contribute to the trade while developing hands-on skills through the apprenticeship program and meeting "blue book" milestones.

## EXPERIENCE

Dec 2011 — Dec 2012

### Pipefitter welder Apprentice

Ste pipes and fitting, Agadir,Morocco

Performed physical labour, including lifting, assembling, and operating equipment and welding, cutting, grinding, measuring, and fitting pieces before welding. Followed instructions from supervisors and ensured tasks were completed efficiently. Learned the value of teamwork and attention to detail in high-demand environments. Assisted family or friends with plumbing repairs and assembling mechanical parts. Built a piping system, demonstrating problem-solving skills.

## EDUCATION

2007 — 2008

### High School Diploma

Bir enzzarne High School

2024 — 2025

### Steamer Pipefitter, Welder

Northern Alberta Institute of Technology, Edmonton

## CERTIFICATIONS AND LICENSES
