Highlighted Experience

01/2018 - Present

Visual Artist.

Atelier Van Kelle, The Netherlands

- *Creating concepts and executing them in multidisciplinary artworks implementing aspects of the 'wilderness', outdoors, nature, and our relationship as humans to it.*
- *Researching the qualities of materials in relation to the inspiration at hand. This helped me to develop an extensive skillset from but not limited to: cabinetmaking, woodwork, painting, drawing, and as of late, learning how to create images in writing code using Processing*
- *Exhibited on three continents, participated in several residencies, and been invited to speak and write about my work several times*
- *For more information I'd like to refer you to www.woutervankelle.nl*

09/2019 - 11/2019

In House Desktop Publisher (short contract work)

Awareways, Utrecht, The Netherlands

- *Assisted Project Managers with the development and creation of graphics, using Adobe Illustrator, InDesign and Photoshop*
- *Assisted in launching the security engine for a.o. Heineken, Pon, Shimano, adhering to their corporate identity*
- *Applied translations for over 170 countries globally for Heineken Worldwide*
- *Independently found solution for practical problems in desktop publishing that arise with different alphabets (e.g. Tagalog, Cyrillic, Arabic)*

01/2019 - 08/2019

In House Graphic Designer

Efficiator, Rotterdam, The Netherlands

- *Developed a new energy driven corporate identity in cooperation with the CEO spanning from logo to letterhead*
- *Independently operated to develop visual strategies that supported the business*
- *Advised in the development and production of a new website, having weekly meeting with a third party developer*
- *Edited and worked in Adobe Photoshop, InDesign & Illustrator*

08/2015 - 07/2018

Fine Art and Design Teacher

Melanchthon Schiebroek (Highschool), Rotterdam, The Netherlands

- *Teaching art history and fine arts, including multidisciplinary techniques to students 11-18 y/o at all main levels of Dutch secondary education (MAVO/HAVO/VWO).*
- *Developing and implementing curricula that encompassed multiple year goals ensuring successful results for students.*
- *A strong leniency towards teaching and developing classes from a student driven perception. Implementing pedagogical and didactical theories including but not limited to-, Emilio Reggio, Circle of near development (Vygotsky), and Flipping the Classroom*
- *Mentor to a year, being the main chain in including but not limited to-, parent-teacher contact, teacher-student disputes, student trauma solving, surveying student well-being in and outside of school.*
- *Developing and organising several one day student trips to cultural centres like museums*
- *Developing and organising international student week-long school trip to Barcelona, including programme development*
